+ This is a two year course - an AS qualification cannot be achieved at the end of Year 12.

Core Maths (Certificate) is a one-year course equivalent to an AS qualification. It is designed to support students who are taking qualifications involving maths content (sciences, geography, business studies, psychology, economics), but who are not taking A Level Mathematics

Please tick to indicate interest in the Extended Project Qualification (EPQ). EPQ is advised for students applying to University, particularly those with mainly A* to B (9 – 6) at GCSE

Progression Route: A one year course retaking GCSE Maths, GCSE English Language plus additional Level 2 courses. Please tick in the box.

If we are unable to offer a subject due to insufficient student interest, you will be contacted in order to select an alternative subject.
