29<sup>th</sup> November 2021

Dear Parents and Carers,

Firstly, we would like to reassure you that cases of coronavirus across our schools are and have been for some time, very low. We frequently benchmark our rates with the relevant authorities and follow all of the latest guidance.

Therefore, as a result of the government guidance that we received at 4.30 pm yesterday, we are telling our students that they should come to school with a face mask from tomorrow Tuesday 30<sup>th</sup> November.

They should wear masks in indoor communal areas such as when queuing to purchase food or when moving along corridors. The guidance remains the same for lessons where face masks should not be worn, although those who wish to will be allowed to.

For Year 11 students sitting their PPEs guidance does not require them to wear masks during the exams, however, if they wish to, they can. We recognise that some students and adults are exempt from wearing masks and therefore will not need to.

Thank you in advance for your support on this matter. If you have any questions or queries, please contact us.

Yours sincerely,

Mr M Wilson
