24th June 2022

Dear Year 13 Students,

The College seems very quiet without you here! The next time we will probably see you is when you come to collect your results. Please read the information below carefully.

A Level results day is on **Thursday 18th August**. The College will be open for you to collect your results **from 8:30 am until 10:30 am**.

Please arrive at the College as you normally would via reception. You will collect your results from the Main Hall and then have the opportunity to gather in the courtyard and Wendy's to meet with your friends. As always, the Sixth Form Team will be here for you as well as some of your teachers to say a final farewell and wish you good luck with your next adventure. If you need advice don't worry, our specialist CEIAG team will be on hand to discuss what to do next and answer any questions that you may have about choices, clearing etc. When you leave you will need to exit via the Common Room unless informed otherwise.

If you are unable to collect your results on the day, they will be put in the post at the end of Thursday 18th August. For this reason, **it is most important that we have your correct address on our system**, so please let us know if this has changed by emailing the address below:

admin@wigstoncollege.org

It is also possible to nominate someone to collect your results for you. There is now a form on the College website where you can tell us who that person will be.

<http://www.wigstoncollege.org/exam-collection/>

This form will need to be received by us before results day and **the person named will need to bring a photo I.D.** so that we can verify who we are giving your results to.

We very much look forward to seeing you all again and to celebrating your success.

Yours faithfully,
Mrs Claricoates
Director of Learning for Post-16
